Unipart Rail appoint new non-Executive Director to Rail Board

Unipart Rail have recently appointed David Mcloughlin as a non-Executive Director to join the Rail Board.

David was previously Finance and Commercial Director of Network Rail Infrastructure's division and Chief Executive of Spencer Group, a Hull-based civil engineering company. He will bring his extensive experience in appraising strategies and developing business cases in the rail industry to support Unipart Rail develop into new sectors and markets.

David is currently Managing Director of Brandes House Consultancy, where he advises the boards of a number of companies. He is also an Associate Director at KPMG and an investor in rail businesses.

Notes to editors:

Unipart Rail

Unipart Rail is the leading specialist provider of the Supply Chain Services, Products and Manufacturing to the rail industry in the UK and international markets, with offices in the UK, Australia and the Far East. The company is certified to ISO 9001:2015, ISO 14001 and BS 11000 for Quality Systems, Environmental Practices and Collaborative Working.

Unipart Rail also includes:

- Unipart Dorman - LED signalling and indication innovators and manufacturers
- Park Signalling - signalling design and consultancy specialists
- Instrumentel - remote condition monitoring specialists for high performance engines and rail applications

- Key Fasteners - vending and software solutions to supply and track fasteners from the manufacturer to the train.

With over 700 employees, Unipart Rail is a major partner to the rail industry and has extensive expertise in Infrastructure and Traction & Rolling Stock systems and products.

About Unipart Group

The Unipart Group employs thousands of personnel worldwide and has an annual turnover of approximately £750 million. It is one of Europe's leading logistics companies and a widely-recognised pioneer in the field of Lean implementation.

Unipart Group is a leading UK manufacturer, full service logistics provider and consultant in operational excellence. Operating across a range of market sectors, including automotive, manufacturing, mobile telecoms, rail, retail and technology, Unipart offers a breadth of services from third party logistics to expert consultancy.

The company, which has its headquarters in Oxford, provides services to a growing range of blue chip clients including Jaguar Land Rover, Vodafone, Sky, Sainsburys and many other household names.

All Unipart sites operate according to the Group's proprietary version of Lean known as The Unipart Way. This is a philosophy of working underpinned by tools and techniques that inspires efficiency, flexibility and outstanding customer service in any process.

Unipart also offers expert consultancy in implementing Lean principles and in supply chain management across a variety of industry sectors.
